Unique textured perfection for the ages with WeatherXL™ Crinkle Finish, the new super-strength effects finish from Valspar® for GrandRib 3 Plus.

PERFORMANCE YOU CAN SEE AND FEEL

WEATHERXL™ CRINKLE FINISH

Color and Texture

The unique texture redirects light for enhanced visual depth, promising a step-change improvement over flat-panels' appearance. The coating has been responsively designed, so its subtle shading mirrors the eye's natural horizontal motion.

Durability

Formulated with enhanced WeatherXL™ silicone polyester, this product delivers proven superior quality for outstanding performance. For all its beauty, it features an enduring weatherability to resist fading, scratching and chalking.

For the "green" side of you

A textured coating that meets current Solar Reflectivity (SR) standards for LEED® 2009■, ENERGY STAR®◆ and LEEDv4● which helps keep buildings cooler and energy costs down.

The colors shown are for sample purposes only. This is a unique appearance coating that needs to be seen. Please request an actual color sample from our color experts.
