Metal Wall Systems

Morin wall systems are architectural, heavier gauge, single element wall systems.

Metal Roof Systems

A vast range of profiles offering straight, tapered and mechanically curved solutions, all combined with unrivaled color, texture and material options.

Colors shown here are for preliminary selection only. Contact Morin for color chart and/or physical painted metal samples before final selection. Because of the differences in the paint formulation and application, coil coated metal panels in mica and metallic colors will differ slightly in appearance from spray applied aluminum extrusions.
